

TOWN OF HERNDON

Enriching the Quality of Life and Promoting a Sense of Community

IMPROVEMENTS TO PARKS AND COMMUNITY CENTER

The Herndon Community Center, 814 Ferndale Ave., has been undergoing a major renovation and the doors to the renovated areas will soon open – stay tuned. The gymnasium, racquetball courts and aquatic areas are currently open. Additionally, a new Medium Intensity Ultra-Violet Light (UV) system has been installed to combat bacteria and eye irritants in the pool water. The new UV filters reduce bacteria without adding additional chemicals to the pool, providing the healthiest atmosphere possible for swimming enthusiasts. The UV light systems create a more pleasant swimming experience and will help extend the longevity of the pools' mechanical systems.

Outdoor tennis courts & basketball courts at Bready Park (adjacent to the community center) have been resurfaced, and basketball courts were resurfaced at Haley M. Smith Park (corner of Van Buren St. and Herndon Pkwy.) and Cuttermill Park (off of Herndon Pkwy between Rt. 606 and Crestview Dr.). The resurfacing allows for a smooth playing surface and extends the life of the courts. Get out and enjoy all the Town of Herndon Parks has to offer.
